Orange Blast

Hi Team,

With Vemma NEXT I wanted to take children's nutrition to a new level. One of my favorite features of Vemma NEXT is the charity aspect. I saw a commercial a while ago for TOMS Shoes and was impressed. For every pair of shoes purchased, TOMS donates a pair to a child in need. Visit tomsshoes.com and get yourself a pair. It's such a phenomenal concept that I was inspired to donate Vemma NEXT to children in need. So for every month's supply purchased, Vemma donates a month's supply of NEXT on your behalf to a child in need. Our team is working with deserving organizations to fill this need.

We are also partnering with Children's Miracle Network. Known by their signature red and yellow balloons, this tremendous organization helps children in 170 hospitals every year. For three months of the year, we will proudly display their logo on the NEXT bottle. Plus during this time, a portion of the sales of NEXT will be donated to Children's Miracle Network to help fund the important work they are doing.

Thank you for being a part of this Vemma mission.
