

Vemma® Verve!

Insanely Healthy Energy*

If your health is as important to you as an energy boost, there is no competition when it comes to Verve.* Verve combines three great products in one:

- ① A delicious, fast-acting energy drink
- ② An ultra-premium vitamin and mineral supplement (contains a full dose of Vemma®)
- ③ A powerful superjuice with mangosteen and aloe

Features of Verve

- Includes Vemma's clinically studied formula with B vitamins, guarana and other energy producing nutrients
- Provides a daily dose of vitamins
- Contains over 65 major, trace and ultra-trace minerals
- Appeals to those seeking an energy boost in a balanced and nutritious way*
- Boasts one of the highest antioxidant ratings of all energy drinks
- Available in low natural sugar and sugar free
- Tropical fruit flavor inspired by the powerful mangosteen fruit
- Contains no artificial flavors
- Available in an 8.3 oz energy drink or 3 oz energy shot for the ultimate in convenience

Vemma® NEXT™

Ultra-Premium Nutrition for the Next Generation

Ideal for children 2 to 12, Vemma NEXT™ is the finest and most complete children's supplement available anywhere. The physician formula features:

- A child's dose of the Vemma formula
- Key nutrients to support a child's growing mind and body*
- Kid-friendly, creamy orange flavor
- Choline (a B-complex vitamin) and vegetarian-sourced DHA (omega-3 fatty acid) for brain and eye support*
- Added antioxidant protection from quercetin* (a plant pigment that gives fruits their vibrant colors)
- A blend of 14 organic fruit and vegetable phytonutrient sources
- No preservatives, artificial colors, flavors or sweeteners
- Available in two 32 oz bottles or thirty 2 oz servings

For every month's supply of Vemma NEXT purchased, Vemma will donate a month's supply to benefit a child in need. Vemma is also a proud partner of Children's Miracle Network®, a non-profit organization that is saving and improving the lives of children by raising funds for 170 hospitals.
